THE COLLECTION

Welcome to the most complete Hire Collection in Australia. Over the next 15 pages, be inspired by our stylish selection of suits and accessories catering to all special occasions - whether you are getting married, attending a black tie dinner or heading to your school formal.

WHAT IS FORMALWEAR?

The Hire Collection includes day suits, tail coats, dinner suits, tuxedos, morning suits – all types of formal and special occasion wear. Our professional formalwear consultants can help you decipher the dress code for your next big event, which may include:

Black Tie

A black suit with satin trim, white shirt with formal collar or pleats, black vest and black tie (either bow tie, slimboy tie, fatboy tie or long tie). See our suit style [100] on page 9 as an example.

Creative Black Tie

As above but you don't necessarily need black accessories! Choose from our great range of colours in formal vests pages 12 & 13 and accessories on page 15.

Formal

Creative black tie or a three piece lounge suit would be appropriate for your formal event.

Lounge Suit

A lounge suit can be a two or three piece suit in any colour that does not have a satin trim. A lounge suit is also appropriate for a cocktail or semi formal event.

RETAIL COLLECTION

Quite often our grooms ask 'can I purchase a suit from rather than hire?'

The answer of course is yes! Our retail collection has a large range of award winning suits, shirts and accessories from Australian designers Zenetti and Issimo.

If you plan on attending a number of formal events, or require business attire, purchasing your own suit is definitely worth the investment. See instore for our retail collection or visit zenetti.com.au
